

Sanofi Cambodia marks its 25 years presence in Cambodia

Phnom Penh, Cambodia – January 12, 2018 – Sanofi Cambodia today affirmed the company's commitment as the company marks its 25th year anniversary of operations in the Kingdom. French pharmaceutical company and one of the biggest and global pharmaceutical companies commended its business in Cambodia since 1992 via Roussel Uclaf Office of Representation and became Sanofi (Cambodia) on April 26, 2012.

“As the leading healthcare company in Cambodia, our mission is to make a difference to 16 million Cambodian people's daily lives by continuing to improve access to medicines and healthcare services. Now, 25 years later Sanofi Cambodia presents its products and services across the cities and provinces and we are very strong position in the Kingdom's market” said Ms. Dao Thu Nga, Head of Cambodia Operations. “Sanofi is committed to serving the Cambodian market and enhancing the healthcare solution and treatment through bringing new innovative products to meet the market's demand.” Sanofi Cambodia is leading the market with most diversified products portfolio ranging from Ethical, Consumer Healthcare and Vaccine business with continuous pipeline of innovative products and strong medial heritage.

In addition to that, “25 years of operations in Cambodia is also a fantastic journey of both business and people development, from a newly set up business up to date we step by step build to become 20 million revenue company, with 110 employees who have strong skills and competencies as well progressive career development with us. They are an integral part of our 25 years success and the most valuable asset of our company”

Ms. Dao Thu Nga added a crucial factor for the success of Sanofi Cambodia was the collaborative support from Cambodia government especially Ministry of Health with strong commitment to both public and private sector to together improve and bring more healthcare access to Cambodian.

A part of 25 years heritage in Cambodia is the company's active participation in delivering corporate social responsibility to support, to help and to give back to Cambodians with plenty of projects such as blood donation, educational campaign, fund raising, sponsorship, varying from small to big event up to 1 million USD size. This is not only model sustainable and long term growth but also the heart of Sanofi and employees as an integral part of Cambodian community.

“We strongly believe that Sanofi is very committed and will relentlessly deliver our mission and vision in Cambodia with more milestones of success in healthcare solutions, business, people developments and also CSR activities”, said with her pride Ms.Nga
